What is the purpose of this trip?

On this trip, we will go to Northern India where HIM ministries, such as TellAsia with Leanna Cinquanta, are planting churches and spreading the gospel in a powerful way. There are currently 1,800 churches and over 75,000 people came to Christ last year alone. We will work with these HIM ministries and missionaries to train and equip leaders and pastors. In addition, we will go out to see how entire villages are won for Christ.

What will you do?

These trips are designed for hands on, and you do the "stuff." You are literally the speakers, prayer team, and ministers. We do some training, but the teacher is the Holy Spirit. You will be released to heal the sick, cast out demons, preach, and move in the power of what the Spirit shows us. This team will be smaller, around 10 people, which is perfect for transportation and serving the leaders we visit. In addition, we have powerful team meetings where there is prayer, impartation, and training. It is a condensed ministry school designed to release you into your anointing. We will be specifically ministering in the churches, Bible Schools, and orphanages.

Who will we minister to?

HIM is a network of networks with over 5,000 churches. In India, we have key churches and networks under great leadership, including our missionaries in Northern India. Everywhere we go people respond to the message we bring of freedom from religion, restoration of the prophetic ministry, and the power of the gospel through healings and miracles. Generally, we speak in venues with 100-500 people in churches, home churches, and at the orphanages. Sometimes we have larger meetings, but our goal is not to have a big meeting and then send them home. Instead, we have our leaders plan meetings in strategic places throughout the region and we go out in teams to minister to the groups.

We often go to rural communities that most people do not visit. There we seek to bring transformation to the community. In addition, we have pastors and leaders who have a great desire to grow in the things of the Spirit. Most of you have heard far more teaching and training and don't even know the storehouse that you are. These trips are designed to release the gifting and anointing in the storehouse, YOU!

Where will we stay?

This trip we will have very nice accommodations in hotels that meet Western standards. Since we minister so long, I believe that we need rest and time to reflect. The places we stay in keep the need for safety and health in mind. Again, the reason is to be refreshed and renewed as we go out each day. Even though these are not luxury hotels, they are clean and adequate for our teams.
